Name: Frijia Reinert

1) Reflect on the work you have done so far. What is working and what is not working. What can you do to improve for next time?

I think just the same things I've said before, but this project went well.

2) Reflect on your group dynamic. What is working and what is not working? What can you or your group members do to improve for next time?

Ehhhhh I think everything is fine—I'm honestly running out of things to say on this worksheet.

3) Are there any issues with you or your group members that you feel affects the group dynamic so far? Are there any situations you think I should be aware of or anything I can do to help with maintaining a positive dynamic within your group? Please note that your answer here is strictly confidential; it will only be discussed between me and you.
